Set within the prestigious Ingress Park Avenue in Greenhithe, this exceptional three-bedroom penthouse offers a rare blend of scale, style and elevated living. Arranged across two expansive floors and crowned by a remarkable private roof terrace, the apartment enjoys views of Ingress Abbey, and the rooftop offer far reaching views of the River Thames that create a constantly changing backdrop, from bright mornings to dramatic sunsets.

The sense of space is immediate. The main living level is centred around a generous lounge and dining area, ideal for both everyday living and entertaining, with bay windows allowing natural light to flood the room. A well-proportioned kitchen sits separately, providing ample room for storage and preparation while remaining connected to the social heart of the home. The principal bedroom on this level is impressively sized and benefits from a walk-in wardrobe and en-suite, offering a calm and private retreat.

Upstairs, the property continues to impress with a mezzanine sitting room that lends itself equally well as a second living space, home office or media room. Two further bedrooms are located on this floor, both thoughtfully arranged and served by contemporary bath and shower rooms. From here, access is gained to the standout feature of the home: a vast roof garden that is truly unique for the area. With panoramic river views and exceptional privacy, this space offers endless possibilities for outdoor dining, entertaining or simply enjoying the setting above it all.

Practicality matches the sense of luxury. The apartment is served by a lift within the building, includes a private garage, and benefits from two additional car port spaces, a rarity for a penthouse of this nature. Combining striking architecture, generous proportions and an unrivalled outdoor terrace, this is a unique opportunity to secure a landmark home in one of Greenhithe's most sought-after addresses.
