Stunning three bedroom home situated in the exclusive location of Winkfield, Berkshire on the popular Cranbourne Hall Park, situated in a quiet cul-de-sac location.

It would be perfect for families or for those looking for detached homes on one floor only with off street parking and a large private garden.

The property has a large double length reception room at the front with bay windows, which is currently set up as a living room with a large sofa and TV as well as an area for dining.

There are 3 bedrooms, with a very generous master bedroom which benefits from its own walk in wardrobe as well as double doors which lead out onto a private balcony.

There is a large private laid to lawn garden to the side of the property, which is not overlooked, and to the rear is a patio paved area, currently set up for outside dining, as well as a glasshouse and garden shed. There is also more paving down the other side of the property too, which is ideal for storage e.g. bicycles or scooters or for a small workshop.

There is a generously sized separate kitchen, which has its own door out to the side of the property, and the family bathroom features a whirlpool/jacuzzi bath.

The home is in very good condition and one could move straight in. It would make a lovely home as it is really generously proportioned throughout and is situated in a corner off the park, which is very quiet and secluded.

There is also plenty of off street parking to the front of the property, enough for 5 cars.

The water and heating at the property is run with oil. There is a tank at the rear which holds 1000 litres of oil. The cost of oil is approx 60p per litre and it is estimated 1000 litres lasts a year, subject to average usage.
