- 2 Bedrooms (scope to be 3 bedrooms)
- Offroad parking
- Requires updating
- Walking distance to Rushden Lakes
- 2 Gardens measuring approximately 100ft & 60ft

No Chain | Huge Potential | 100ft Garden | Garage & Parking

A fantastic opportunity to create your ideal home in one of Rushden's most sought-after locations. Offered with no onward chain, this spacious semi-detached property sits on a generous plot with large gardens, a garage and off-road parking, making it an exciting prospect for buyers looking to add value and put their own stamp on a property.

While the house would benefit from modernisation throughout, it offers excellent proportions and clear potential for improvement. Currently configured as a two-bedroom home, neighbouring properties have successfully reconfigured similar layouts to create three-bedroom accommodation without extending. With the neighbouring renovated property having achieved a sale price of approximately £292,000, there is clear evidence of the potential on offer.

Outside is where this property really stands out. The rear garden extends to approximately 100ft in length, providing exceptional space for families, entertaining or landscaping, while a further 60ft garden area behind the garage offers even more flexibility. The property also benefits from a garage and tandem driveway parking for two to three vehicles.

Fern Road remains a highly desirable address thanks to its proximity to Rushden Lakes, countryside walks and excellent transport links. Whether you're looking for a rewarding renovation project, a long-term family home or an investment opportunity, this property offers the rare combination of location, plot size and proven potential to create something truly special.
