ACCOMMODATION

Delamere has kerb appeal in abundance featuring a painted rendered exterior, replacement double-glazed sash windows, a gated entrance and an enclosed driveway providing enclosed secure parking, creating a safe environment for families and pets.

A composite front door opens into the entrance lobby with hanging space for coats.

The generous sitting room spans the width of the cottage featuring Kahrs oak flooring and a fireplace housing a wood-burning stove with a quarry tiled hearth. Stairs lead to the first floor with useful under stairs storage, which houses the oil-fired boiler.

The spacious kitchen/dining room has views to the rear over the garden to open fields beyond. The kitchen features a comprehensive range of contemporary wall and base units with wood effect work surfaces over and and 'metro' style tiled splash-back and an inset 1 1/2 bowl sink unit with a Quooker hot/filter tap. Appliances include an integrated fridge/freezer, NEFF oven, AEG gas hob (propane) and integrated dishwasher, together with plumbing for a washing machine. The central island provides additional storage and work surface prep space. There is ample space for a dining table, there is porcelain tiled flooring with under-floor heating and bifolding doors opening directly onto the patio terrace and garden with beautiful countryside views beyond.

The staircase and all three bedrooms are carpeted.

The principal bedroom overlooks the rear garden and countryside beyond. The fully tiled en-suite shower room has a modern white suite comprising a glass shower cubicle, a vanity wash hand basin, a low-level w.c., under-floor heating

and a window to the side provides natural light.

Bedroom 2 has a front aspect and built-in wardrobes.

Bedroom 3 has a front aspect, built-in wardrobes and access to the loft.

The family bathroom has a window to the side and a modern white suite comprising a panel-enclosed bath with a shower and screen over, a low-level Geberit aquaclean shower toilet, a pedestal wash hand basin and marble-effect oversized ceramic tiled walls.

The rear garden is principally laid to lawn, with a paved terrace immediately abutting the house providing an ideal setting for outdoor dining. Its open aspect is undoubtedly one of the property's defining features, with exceptional far-reaching views across neighbouring fields and the surrounding countryside. A gate pedestrian provides access onto the Chiltern Way footpath and an extensive network of picturesque walks quite literally on the doorstep.

To the front, an Iroko hardwood automated sliding gate opens onto a cobble effect driveway, providing secure off-road parking and access to a detached double garage with electric roller doors. There is plenty of additional space between the garage and the house, as well as behind the garage, together with a pedestrian gate providing access through to the rear garden.

The property has oil-fired heating and hot water, with the oil tank discreetly positioned behind the garage.

This is a rare opportunity to enjoy a characterful village home where far-reaching countryside views, exceptional walking and practical modern living come together particularly well, all within a short drive of Henley-on-Thames.
