

CRANBROOK GRANGE

SOMERSHAM

A COLLECTION OF 2, 3 & 4 BEDROOM HOMES

ALLISON
HOMES

ALL ABOUT CONNECTED COUNTRYSIDE LIVING

Life begins at Cranbrook Grange

ALL ABOUT THE TOWNS, COUNTRYSIDE, AND COMMUNITY

A county of endless exploration and charm.

Cranbrook Grange is an attractive collection of homes in the village of Somersham, conveniently located between St Ives and Huntingdon. Surrounded by the picturesque Cambridgeshire countryside, these energy-efficient homes boast spacious interiors and high-quality finishes, perfect for modern living.

Somersham's charming village centre is a short walk away and is home to a surgery, dentist, convenience store, pub, restaurant, café and several independent shops. For families, the local primary school is also nearby, helping to minimise hassle on the school run.

More choice can be found a short drive away in the vibrant towns of St Ives and Huntingdon. In St Ives, just 11 minutes away, you'll find supermarkets, high street shops and a farmers' market, while

the Corn Exchange hosts regular music and comedy. Don't miss Tom's Cakes – a charming café located in the centre of St Ives offering a variety of delectable homemade treats, freshly baked at their bakery in Somersham. Huntingdon, an 18-minute drive away, offers even more, including a multi-screen cinema for the latest film releases.

Stay active with ease in Somersham, the village playing field, which is within walking distance, features a playground and sports courts – perfect for letting off steam. Additionally, St Ives Leisure Centre boasts a swimming pool, gym, sports hall and a variety of fitness classes, while those who enjoy golf, fishing or bowling, can find it all in one place at nearby Lakeside Lodge Golf & Country Club.

Nature lovers will be delighted by the Somersham Local Nature Reserve, just a short walk away. Spanning 12 hectares, this reserve includes woodland, grassland, wildflower meadows and a lake, providing habitats for a diverse array of wildlife.

Alternatively, the surrounding Cambridgeshire countryside is perfect for endless walks and outdoor adventures.

Cranbrook Grange provides a unique blend of rural charm and modern convenience. With excellent local amenities, a strong sense of community, and easy access to both natural beauty and urban excitement.

For those looking to explore further afield, the historic city of Cambridge is just a 33-minute drive away and is known for its beautiful cobbled streets, grand architecture and vibrant cultural scene. The city centre offers fantastic shopping, from charming independent stores to high-end designer brands, and a diverse selection of bars, cafés and restaurants. The city is also home to numerous museums, galleries and event venues, providing endless opportunities for enrichment and entertainment.

Travel is made easy with strong connections via road and rail. Somersham sits just a few minutes from the A141, which provides a continuous route between King's Lynn and Huntingdon. The A14 is also easily accessible and links with the A1 and A11, opening gateways to the north and south. By rail, the closest station is Huntingdon where you can catch direct trains to Peterborough and London in 16 and 54 minutes, respectively.

Additionally, the Cambridge Guided Busway, accessible from St. Ives, offers a convenient link to Cambridge city centre and Addenbrooke's Hospital, providing easy access to key destinations.

ALL ABOUT THE QUALITY

Each home at Cranbrook Grange has been designed to maximise light and space and, according to location, comes equipped with PV (solar) panels and 7Kw EV Charger.

Synonymous with the quality of design and craftsmanship associated with all Allison Homes developments, all the houses at Cranbrook Grange benefit from a high standard specification.

This includes contemporary kitchens with steel splashbacks, integrated appliances (on selected homes), a ceramic or induction hob and chimney-style extractors.

In all homes the bathrooms and en suites feature white Roca sanitaryware. To help reduce energy bills, all homes feature energy efficient and thermostatic radiator valves to all habitable rooms. Low energy LED down lights to the kitchen, bathroom and en suite also come as standard.

ALL ABOUT HOMES BUILT ON SOLID VALUES

We are passionate about beautiful design that fits with evolving lifestyles, creating homes that are modern, sustainable and affordable. Our love of quality and great craftsmanship underpins everything we do, because homes are such an important and integral part of all of our lives.

That's why we ensure every Allison home is something exceptional.

“

We know we are not just building houses, we are creating the most important spaces in people's lives that our customers will love to live in now and throughout the years ahead.

”
