1 Penyfron has an unusual layout because historically the property was two dwellings. It would be possible to revert the property to 2 properties subject to obtaining the necessary consents.

1 Penyfron enjoys an elevated location just up from the Village Hall and abuts the Llanbadarn Church and Cemetery. The property is convenient to all local amenities and to both Aberystwyth town centre and the edge of town retail units at Parc Y Llyn. 1 Penyfron is also convenient to major employers to include the University, Bronglais Hospital and the National Library of Wales.

The layout is highlighted on the attached floor plan.
