

DAGENHAM DEVELOPMENTS AND CONSTRUCTION COMPANY PRESENTS

Quality inside, space outside.

High-end apartments, a private balcony for every home and dedicated underground parking.

COMPLETION

Q4 2029

WELCOME

Comfort, convenience and quality craftsmanship

Dagenham Developments and Construction Company proudly presents its newest residential development, an impressive collection of contemporary homes combining sophisticated interiors, quality specifications and practical resident amenities. With completion anticipated in Q4 2029, it's an exciting opportunity for buyers looking for a modern home built with care.

AT A GLANCE

High-end specifications	Sophisticated interiors	A private balcony for every home	Underground parking	Completion Q4 2029

THE RESIDENCES

High-quality specifications throughout

Every apartment comes with carefully selected finishes, contemporary design touches and thoughtfully planned interiors that balance style with function. From the layout down to the finer details, each home is made for comfortable, practical living, whether you're a first-time buyer, a working professional, a couple or investing for the long term.

PRIVATE BALCONIES

Your own outdoor retreat

One of the standout features here is a private balcony for every unit. It's valuable extra space to get some fresh air, unwind after a busy day or set up your own little outdoor retreat. Having a balcony in every home adds a whole extra dimension of living space beyond the four walls.

PARKING AND HIGHLIGHTS

Practical, from the moment you arrive

Dedicated underground parking gives residents a practical, secure place to park and keeps the development neat and well organised. If you have a car, everyday arrivals and departures just got a lot easier.

Quality interiors

High-end specifications in every apartment.

Private outdoor space

A balcony for every single home.

Underground parking

Dedicated, secure spaces on site.

SECURE YOUR NEW HOME

Completion anticipated Q4 2029

With completion scheduled for Q4 2029, now's your chance to explore a development built around what modern buyers really want. Dagenham Developments and Construction Company continues to bring thoughtfully designed homes to the market, with real focus on quality, functionality and resident convenience.
