This floor plan shows a 5-bedroom house. The layout includes a living room, a dining room, a kitchen, and a bathroom. The bedrooms are arranged as follows: two bedrooms at the top, one bedroom on the left, and two bedrooms at the bottom. The kitchen is located in the center-right, and the dining room is at the bottom right. The bathroom is situated between the two bottom bedrooms. The plan also shows several closets (C) and wardrobes (W).

A photograph of a modern garden. On the left is a white garage with a grey roof and a small window. To its right is a black metal pergola with a glass roof. The garden is enclosed by a wooden fence. A paved patio area with large light-colored tiles and a dark border is in the foreground. A green lawn is on the left, and a white clothesline stands on it. The background is filled with lush green trees under a blue sky with clouds.
