Well Presented Two Bedroom Warner Flat

This purpose-built flat is tastefully designed and is maintained to an excellent standard. You enter through your own front door with stairs leading up to the property. To the front, you will find a spacious living area, which doubles as a dining room filled with lots of natural light, thanks to the three original sash windows. Adjacent to the living area is the second bedroom, which is an ideal main bedroom or home office due to its built-in shelves. As you walk further down the hallway the fully fitted kitchen and three-piece bathroom are on the right-hand side and have both been maintained to an immaculate condition. The main bedroom is at the rear, with double sash windows and views into the garden and across Lloyd Park. Stairs from the hallway lead to the rear garden, which is a shared space with this flat taking ownership of the right-hand side. Further benefits include gas central heating, sash windows, integrated appliances, and original wooden flooring throughout.
