DESCRIPTION

Buckfast Close is a cul de sac containing bungalows of similar age set well back from the grass verge lined carriageway and standing within well tended gardens all of which combines to create an attractive setting. The location is ideal being positioned a short distance from the revitalised shopping centre of Hale Barns, places of worship and within the catchment area of highly regarded primary and secondary schools. In addition, the surrounding motorway network and Manchester International Airport are readily accessible.

This well presented semi-detached bungalow stands in a slightly elevated position and has been extended and re-planned to create well balanced living space with the benefit of an outstanding loft conversion.

The accommodation is approached beyond an enclosed porch and leads onto a welcoming reception area. There is generously proportioned sitting room with feature fireplace set beneath a natural wood mantel and an inner hallway provides access to the fitted breakfast kitchen with a range of integrated appliances and seating arranged around a central island. A wide opening precedes the naturally light sitting/dining area and French windows open onto the paved rear terrace which is ideal for entertaining during the summer months. There is a spacious ground floor double bedroom fitted with a comprehensive range of furniture served by a fully tiled modern bathroom/WC and a further double bedroom with en suite shower room/WC.

The study may prove invaluable for those who choose to work from home and a staircase leads up to the remarkable primary bedroom with contemporary en suite bathroom/WC and provision for storage.

Gas fired central heating has been installed together with PVCu double glazing throughout.

Externally there is ample off road parking within the block paved driveway and there is a gated access to the detached garage with electrically operated door and utility area.

The landscaped rear gardens are certainly a feature, tree lined and laid mainly to lawn with a high degree of privacy. Importantly with a southerly aspect to enjoy the sunshine throughout the day.
