Windale

SALT BOX ROAD, WORPLESDON, GUILDFORD, SURREY, GU3 3TA

Tucked away in a semi-rural position close to Whitmoor Common and Brittens Pond, Windale is a substantial and highly versatile detached home offering over 3,000 sq ft of accommodation, including an impressive detached outbuilding and annexe.

The property has been thoughtfully extended and improved to create a wonderfully adaptable family home, ideal for multi-generational living, working from home or those seeking flexible recreational space. The heart of the house is an open-plan kitchen/dining room fitted with a comprehensive range of units centred around an island, with ample space for entertaining and day-to-day family life. This flows through to further dining and living space. The principal bedroom occupies much of the first floor and benefits from a striking open-plan bath area, cloakroom and excellent storage. There is a further first floor bedroom complete with an en-suite shower room and access to extensive eaves storage. There are two further double bedrooms on the ground floor, served by a modern three-piece bathroom suite. These rooms could equally serve as a snug, office or playroom depending on requirements.

Attached to the property is a useful annexe comprising a bedroom, separate ancillary space and shower room, lending itself perfectly to additional accommodation, independent living, consulting space or home working.

A standout feature is the detached outbuilding, currently arranged as an entertainment and games room complete with a bar area, pool table space and bi-folding doors opening directly onto the terrace and garden. However, the building would also make an excellent home office, studio or gym. There is an additional outbuilding comprising workshop space, a log store and garden shed.

Outside, the rear garden enjoys a predominantly westerly aspect with an uninterrupted north/south orientation, creating a wonderfully open and sunny setting. The garden is mainly laid to lawn and complemented by a large paved patio, ideal for outdoor entertaining. To the front, the property benefits from ample gravel driveway parking.
