At the heart of the home are its generous and well balanced living spaces. The elegant reception room, with its bay window and feature fireplace, offers a calm and cosy retreat, ideal for relaxing together at the end of the day. A separate dining room creates the perfect environment for family meals, celebrations and entertaining, combining warmth with a vibrant and sociable atmosphere.

Flowing seamlessly from here, the stunning garden room provides a versatile additional living space, with its atrium style double glazed roof and direct access to the garden creating an effortless connection between indoors and out.

The kitchen has been carefully arranged to support the rhythm of daily life, offering ample workspace, storage and room for informal dining. Overlooking the garden and bathed in natural light, it serves as a bright and welcoming hub for everything from busy mornings to relaxed weekend cooking.

Practicality is well considered throughout, with a separate utility room helping to keep everyday family life organised, while the garage provides valuable storage or potential for future adaptation as needs evolve.

Upstairs, three well proportioned bedrooms offer flexibility for modern living, easily accommodating children's rooms, guest space or a home office. The layout is designed to adapt as families grow and change, ensuring long term comfort and usability.

The family bathroom is bright, clean and thoughtfully appointed, featuring a full size bath alongside a separate walk in shower, ideal for both quick morning routines and relaxed evenings. A large window allows natural light to flood the space, enhancing its fresh, airy feel, while the practical layout ensures it works perfectly for busy family life.

The outdoor space further enhances the home's family friendly appeal, offering a safe and enjoyable setting for children to play and for everyone to unwind. Whether hosting summer barbecues, dining alfresco or simply enjoying the sunshine, the garden acts as a natural extension of the living space, particularly during the warmer months.
