- Fully managed property
- Washing machine

12 Water Street is a two-bedroom house situated close to the harbour with both rooms based on the first floor. A large kitchen and dining space has an oven and hob, fridge/freezer, storage and a dining table and chairs. There is also a comfortable living room, as well as an attic space that would make a perfect studying area. On road parking is available and the property also benefits from its own outdoor space.
