PROPERTY SUMMARY

Located within the quiet and peaceful cul de sac of Hamilton Way enjoying a pleasant outlook across to the very pretty St Ninians Church is this beautiful, detached bungalow presented to the market in truly walk-in condition. Constructed by the current owner circa 1996, the bright and spacious accommodation extends to approximately 840sqft. A personal choice when building the property was to opt for two generously proportioned bedrooms as opposed to the three smaller bedrooms originally intended within the plans, resulting in more impressive and useable apartments.

The immaculately maintained accommodation comprises; entrance vestibule, welcoming reception hallway with storage, substantial front facing lounge with bay window and feature fireplace with gas fire inset, master double bedroom with excellent fitted storage, and four-piece bathroom with separate shower cubicle.

Located to the rear of the property is a tasteful, and well-designed, dining size kitchen with integrated appliances, second double bedroom, and attractive sunroom currently utilised as a second sitting room with access to rear garden.
