History

The history of the Old Vicarage is closely tied to the development of St Anne's Church, Singleton and the Singleton estate owned by the Miller family.

The present St Anne's Church was built in 1859-1860 by local cotton manufacturer, Thomas Miller.

The Old Vicarage was built between 1860 to 1870 and was originally a Roman Catholic Chapel with later became the residence for the incumbent of St Anne's Church.

Property Introduction

Nestled within an idyllic rural setting, this impressive four/five bedroom, former vicarage offers a rare opportunity to acquire a characterful family home surrounded by extensive private grounds.

The spacious interior is arranged over two floors and comprises four well proportioned bedrooms, with potential for a fifth, multiple reception rooms and a traditional farmhouse style kitchen.

The property is situated within a substantial plot. Mature gardens extend around the property, offering an abundance of colour, privacy and outdoor entertaining space.

Beyond the formal gardens, areas of established woodland provide a tranquil natural backdrop and create a haven for wildlife.
