INTERNAL

The spacious hallway welcomes you into this exceptional four-bedroom detached 1930s family home, formerly a doctor's surgery, it is beautifully presented throughout and perfectly balances character with thoughtful modern improvements. Offering generous and versatile living accommodation, the property includes a spacious living room with bay window and open feature fireplace, formal dining room with art deco style fire surround and patio doors to the garden, additional family room which leads to the rear garden and separate study, handy ground floor cloakroom, and a well-appointed kitchen/breakfast room fitted with an attractive shaker-style kitchen and Falcon range cooker. A useful utility/lean-to area and integral garage provide additional practicality for family living. The home retains a wealth of period features including stripped wood flooring, decorative coving, stained glass windows, ceiling roses, fireplaces, and leaded light glazing, all of which enhance its charm and character.

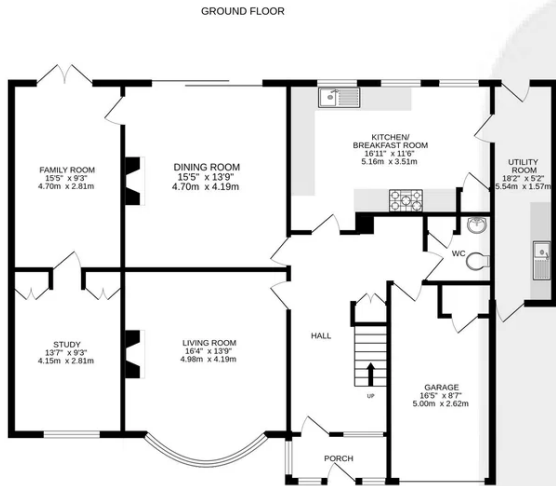

Upstairs, there are four well-proportioned bedrooms, a spacious family bathroom, separate shower room, and a substantial boarded loft space currently used as a workshop with power, lighting, and Velux windows. The property has also undergone extensive modernization, including complete rewiring, replumbing, replastering, cavity wall insulation, partial roof renovation with professional leadwork, and the installation of a new boiler in April 2025, creating a home that is both energy efficient and comfortable year-round.

Externally, the property enjoys beautifully maintained front and rear gardens that provide a peaceful and private setting ideal for families and entertaining. The rear garden features manicured lawns, mature trees and shrubs, established flower borders, multiple seating and patio areas, a timber shed, and a secluded vegetable garden enclosed by walls. To the front, the landscaped garden includes mature planting, a pond, attractive flint walling, and a gravel and part-cobbled driveway leading to the integral garage, offering ample off-road parking.
