Offered to the market with no onward chain, this beautifully presented ground floor apartment forms part of the prestigious Potters Place, an exclusive gated development designed specifically for the over-55s. Enjoying a highly convenient central location, the property provides excellent access to Horsham town centre, the mainline station and the nearby park, combining lifestyle convenience with peaceful surroundings.

Approached via secure electric gates, the development immediately creates a sense of privacy and refinement. Residents benefit from attractively landscaped communal gardens and a welcoming community environment, all maintained to an exceptional standard.

The accommodation begins with a generous entrance hall featuring both a large storage cupboard and separate airing cupboard, offering practical everyday convenience. The spacious living and dining room is a particular highlight, enjoying a charming bay window and French doors opening onto a large private balcony, perfectly positioned to overlook a quieter and more secluded section of the communal gardens - providing a greater sense of privacy than many comparable apartments within the development.

The kitchen/dining room is thoughtfully arranged with an excellent range of wall and base units alongside integrated appliances, creating a functional yet sociable space ideal for both everyday living and entertaining.

The principal bedroom offers impressive proportions, complemented by fitted wardrobes and a well-appointed en-suite wet room. A second generous double bedroom, enhanced by its own bay window feature, provides flexible accommodation for guests, hobbies or a home office, while an additional bathroom serves the remainder of the apartment.

Further benefits include gas fired central heating, double glazing, allocated parking and beautifully maintained communal grounds that enhance the overall setting.

Potters Place, built in 2001, remains one of Horsham's most desirable later-living developments. Positioned just opposite Horsham Park and moments from the town's vibrant shopping streets, cafés, restaurants and leisure facilities, residents enjoy the perfect balance of tranquillity and convenience. The surrounding area also offers easy access to St Leonards Forest and the South Downs National Park, ideal for those who enjoy nature and outdoor pursuits.

PLEASE NOTE: We have been notified of some upcoming major works to the roof of the property. The seller has agreed to cover the cost of this as set out by the management company. Further details available upon request.
