Outside

Accessed opposite from the turning into Penwithick Park, a lane leads up hill and turns towards the right at the top of the hill. Access to this property is via the track with a large metal gate providing access to the parking area. To the right hand side of the gate there is a garage which will need modernisation with another small store attached to the side - this is the building the current owner has drawn up plans, although not approved by planning - these are available to genuinely interested parties for viewing in

our office. There is also a useful attached buildings to the left of the property which would also benefit from a degree of work, however offer fantastic storage space. To the side of the barn with plans drawn up, a wooden gate opens to provide access to the properties official garden laid to lawn with hardstanding walkway along the left hand side and greenhouse tucked away to the rear. Note the gate to the left hand side allows access to the neighbours garden. This area is enclosed with an array of evergreen planting and shrubbery with high level stone wall to the right and rear elevations. We understand that the property benefits from the parking area directly in front of the terrace with number 2 having one allocated space. Number 3 having pedestrian and vehicular access to their property.
