Description

The property comprises a conveniently positioned parcel of pasture land, which extends to approximately 10 acres (4.05 hectares) in total. The property can be accessed from the public highway known as Badby Lane, with a gated entrance set back from the highway giving access to the property.

The property is presented as a single enclosure of permanent pasture, which has historically been used for livestock grazing. Situated in the north western corner of the field is a large wildlife pond.

The land benefits from a mixture of post and stock wire fencing and well-defined mature hedgerow and tree boundaries throughout.

According to Natural England, the land is classified as Grade 3 on the Agricultural Land Classification Maps, being freely draining slightly acid but base-rich soil with high fertility. The land would be suited to equestrian or alternative use subject to obtaining the necessary planning consent.

The land is shown edged red on the site plan.

Development Overage

The vendor will impose a development overage on any non-agricultural or non-private equestrian development over the entirety of the property for a period of 30 years at 30% which will be triggered on the earlier of either implementation of planning permission or disposal where the land that is disposed of includes the whole or any part (s) of the property with the benefit of that planning permission.

Services

The vendor understands that the land does not benefit from a connection to any mains services.

Purchasers should note that it is their specific responsibility to make their own enquiries to the appropriate authorities as to the location, adequacy and availability of mains water, electricity, gas and drainage services. The cost of providing such services to the site will be at the purchaser's own expense.

Easements, Wayleaves and Rights of Way

The property can be accessed from the public highway known as Badby Road, with a gated entrance set back from the road in the northern aspect of the property.

The property is crossed by a bridleway which enters the land from the highway with a pedestrian gate situated next to the field gate, and then runs along the eastern boundary, continuing on into the adjoining land.

The land is sold subject to and with the benefit of all other easements, wayleaves and rights of way that may exist at the time of the sale whether disclosed or not.

Anti Money Laundering Regulations

Under the money laundering directive (S12017/692) we are required under due diligence as set up under HMRC to take full identification (e.g. photo ID and recent utility bill as proof of address). When a potential purchaser submits an offer for a property, please be aware of this and have the information available.

Tenure & Possession

The land will be sold freehold with vacant possession given on completion

Fixtures and Fittings

Only those items specifically mentioned in the sales particulars are included within the sale or the items are specifically excluded.

Method of Sale

The property will be offered for sale by private treaty as a whole and interested parties should submit their offers to the Agents Towcester Office,

Plan, Area & Description

The property is currently registered under title number NN279018.

The plan, area and description are believed to be correct in every way but no claim will be entertained by the vendor or the agents in respect of any error, omissions or misdescriptions. The plan is for identification purposes only.
