Lavenham is regarded as one of the finest medieval settlements in Britain, with its wealth of period houses, famous church and of course the National Trust's Guildhall in the Market Place. Notwithstanding its fame, Lavenham is a thriving community with a good selection of shops and services. The market town of Sudbury is about 7 miles south and it provides a commuter rail link to London Liverpool Street. The cathedral town of Bury St Edmunds is about 12 miles north.

This charming one-bedroom cottage has been refurbished under the current ownership, giving the property a traditional but chic finish. The cottage is ideally positioned for village amenities with private walled garden to the rear and the property is being offered with **NO ONWARD CHAIN**.
