Property Introduction

Offered for sale with no onward chain, this two bedroom house is situated within walking distance of Mousehole harbour and the village amenities.

The property has a generous lounge/diner and kitchen on the ground floor with two double bedrooms and a bathroom on the first floor.

Gaining sea views from the front elevation and a walled rear garden, we feel this makes a most comfortable home. The property is warmed via an air source heating system and has double glazed windows.

Location

Merlin Place is situated close to the harbour and village amenities along with the beaches and the South West Coast Path.

Historically, Mousehole was one of the principal ports of Mount's Bay until the village was destroyed by the Spaniards in 1595. Today, Mousehole is a wonderful place to live and the locals are very proud of their village that enjoys a great sense of community. The harbour enjoys two small sandy beaches that are popular with locals and tourists alike.

The next village, Newlyn, lies just two miles away and the larger market town of Penzance is approximately three miles distant. Both are on the bus route from Mousehole.
