The Agent that goes the Extra Mile

Woodland View Cottage is a charming mid-terrace cottage situated in the highly sought-after village of Cosheston, enjoying views towards the village church and within easy walking distance of local amenities, including the village pub, school, hall and playing field.

Full of character and presented in good decorative order throughout, the accommodation briefly comprises an inviting open-plan living/dining room featuring exposed beams, attractive stonework and a wood-burning stove, creating a warm and welcoming atmosphere. The kitchen provides direct access to the rear garden, while a useful utility room and ground floor shower room with walk-in shower enclosure add practicality to the layout.

The first floor offers an open-plan double bedroom with a vaulted ceiling, exposed beams and a Velux window to the rear, enjoying delightful countryside views.

Further features include traditional sash windows and privately owned solar panels, helping to reduce energy costs. Combining character features with modern comforts, Woodland View Cottage would make an ideal first-time purchase, holiday home or investment property.
