## INTRODUCTION

An impressive detached family home offering an extensive and beautifully appointed array of accommodation, stretching to over 2,100 sq. ft. This residence is thoughtfully designed for modern family living, boasting superb principal rooms and future flexibility.

The ground floor features a spacious entrance hallway laid with attractive porcelain tiled flooring. Double doors open through to a large living room overlooking the rear garden, with further double doors connecting seamlessly to the stunning kitchen. The kitchen is a defining feature, complete with a central island and excellent fittings, and is served by a utility room which also provides access to the integral store. The ground floor also provides a large, dedicated dining room and a practical cloaks/W.C. The first floor is accessed via a galleried style landing which leads to four good-sized bedrooms, including the main bedroom with fitted wardrobes and a dedicated en-suite shower room. The bedrooms are well-served by a separate family bathroom with a four-piece suite. A valuable additional room with eaves storage is present, ideal for use as a home office or study, offering clear potential for future extension (subject to planning) to create a fifth bedroom.

Outside, the property enjoys excellent parking on the driveway leading to the integral store. The large rear garden is private, featuring a lawn, attractive box hedging, and a patio area immediately adjoining the house.

## LOCATION

Aston Hall Drive holds a prime position within North Ferriby, located just off the High Street and affording residents easy access to the village centre's facilities. North Ferriby lies approximately 9 miles to the west of Hull and offers a good range of local shops including a doctor's surgery and convenience store. There are a number of amenities and recreational facilities plus a well reputed primary school with secondary schooling at nearby South Hunsley School. The village also boasts a railway station which can be found a short walk away and convenient access is available to the A63 leading into Hull city centre to the east, the Humber Bridge or the national motorway network to the west.

## ACCOMMODATION
