Local Area

You're in a superb spot right here, at the edge of the village of Stoke Hammond, where the countryside becomes truly endless. The village was first mentioned in the Domesday Book in 1086 as 'Stoche', to mean a place of worship. In more recent history, Stoke Hammond served as a secret wireless station for Bletchley Park. Just down the road is your new local, The Dolphin Pub, a pleasant four minute walk away. It's been recently refurbished to spectacular effect, and serves excellent traditional food. Keep going past the pub to the village green, the heart of the community. Here there is the village post office as well for your day to day essentials. For golfers, there are many excellent courses nearby such as Leighton Buzzard and The Three Locks other options include Woburn Golf Club which is currently the only club in the UK to have three courses all ranking in the top 100 in the UK. Meanwhile you're just a five minute drive from Leighton Buzzard, where you'll find regular trains to London Euston that take just over half an hour. Milton Keynes train station is also within a 15 minute drive providing access to the north and south. This puts your countryside location within remarkably easy reach of the city, with a door to door commute that many Londoners would envy.
