Brooklyn Gardens

Cheltenham, GL51 8LW

Asking Price £395,000

Hunters Estate Agents are delighted to offer for sale, this impressive three-bedroom traditional semi-detached family home benefitting from a ground floor extension housing the highly sought after asset of a kitchen/diner with bi-fold doors to the garden.

Brooklyn Gardens is one of Cheltenham's best kept secrets, tucked away on the west side of central Cheltenham, this small oval of 1950's family homes all have fabulous sized plots enjoying a high degree of privacy.

The accommodation on offer includes the following:

Ground Floor:

The covered entrance leads to a welcoming entrance hall with stairs off to the first floor. At the rear there is a ground floor wc and combined utility room. We have seen these rooms developed into a second bathroom for the ultimate family luxury. To the front there is a very relaxing living room, with a deep bay window. The traditional dining room extends into the new extension across the rear making the 'day space' in this house very impressive. The kitchen is fitted with very modern units with built in appliances. The rear wall is almost fully utilised with a full width bi-fold door opening on to the rear garden. This really is the perfect entertaining house - with the doors fully open the garden/kitchen/breakfast room and dining room all become one big space for guests.

First Floor:

Bedroom one with its deep bay window and bedroom three face the front elevation with bedroom two and the bathroom facing the rear.

Outside:

The property is set back from the main road behind its own fore-garden providing additional off-road parking. The side drive leads to a garage in the rear with remote controlled electric up and over door, mains power and light. At the rear there is a substantial decked terrace leading to the garden which enjoys a high degree of privacy.

We highly recommend this property.
