

Walton

Location

Walton is at the southwest edge of the town, sharing its annual walking day parade with the neighbouring parish of Stockton Heath.

The estate of Walton Hall and its surrounding gardens, previously owned by the Greenall family, are open to the public offering facilities for pitch and putt, crazy golf, bowls and a children's zoo. Inside the hall, function rooms are available for hire for themed events. The leafy surroundings provide an ideal setting for walkers and families looking for perfect picnic areas. The area also benefits from traditional pubs, shops and a municipal golf course making it an ideal rural suburb. Walton falls into the catchment of some of Warrington's most highly regarded schools.

Walton Brookwood Close

Situated within one of the most sought after locations within close proximity to Stockton Heath featuring only bungalows of varying shapes and sizes. Positioned towards the head of Brookwood Close on the outer edge of this crescent, these particular bungalows occupy some of the largest plots locally with woodland gardens.

Built by Messrs 'Ashall Builders' in the 1960s, a local recognised firm of excellent repute, this detached bungalow has been transformed by both a rear lounge extension with a vaulted ceiling, 'Velux' windows and 'French' doors opening out on to an attractive terrace combined with a reconfigured layout resulting in accommodation of substantial proportions with excellent flexibility.

Contrary to most properties that have been extended, they can do so at the expense of their gardens, but that cannot be levelled here with outstanding grounds including a protected woodland with predominantly a westerly aspect.

Set back and benefitting from a degree of privacy, this 'Ashall' built detached bungalow offers great potential to shape a property into ones own taste and design. The accommodation is accessed from the side elevation into a bright and airy reception hall, inner vestibule / utility accessed from the other side elevation which is generally used for day to day access, lounge extending to over 8 metres with a feature fireplace and vaulted ceiling, dining room with 'Karndean' flooring and patio doors opening on to the side garden and a dining kitchen with sitting room area. The 'sleeping' accommodation is located in a separate wing with an inner hallway, master bedroom with walk-in wardrobe and en-suite shower room, two further bedrooms and a bathroom. Externally, the grounds are a particular feature being one of the largest plots as previously mentioned with gardens to both side elevations which are connected by a paved terrace, in addition to a protected woodland area providing a fantastic backdrop. The driveway provides ample off-road parking which in turn leads to the double garage.
