PROPERTY SUMMARY

This elegant Victorian townhouse offers timeless charm combined with modern comfort. Arranged over three spacious floors, the property provides a truly special family home with excellent potential to extend to the side or rear (subject to planning permission).

Grand steps lead to the impressive front entrance, opening into a bright and airy reception room. With two large sash windows framing beautiful views over the south-facing garden, the space is bathed in natural light and exudes period character. Seamless staircases provide access to both the lower ground and first floors, creating a wonderful sense of flow throughout.

The lower ground floor features a stylishly fitted modern kitchen, a large family bathroom, and direct access to a block-paved patio and the well-established rear garden — perfect for entertaining or relaxing outdoors.

Upstairs, the first floor continues the feeling of light and space, with a generous landing and two double bedrooms, both beautifully presented and in excellent condition.

Additional highlights include gas central heating, scope for further configuration as an investment opportunity, and a prime location just moments from local parks, Hounslow High Street, and highly rated schools.

Viewings are highly recommended to fully appreciate the scale, character, and quality of this remarkable home.
