Some houses are simply places to live. Others instantly feel like home. This charming double bay-fronted period property, dating back to the early 1900s, is packed with character, warmth and personality, while offering the space and flexibility modern family life demands.

The standout 24ft Lounge Diner is the heart of the home, flooded with natural light from the beautiful bay window and centred around a characterful open fireplace with log burner — perfect for cosy evenings and entertaining alike. A second reception room provides valuable extra space, ideal as a snug, playroom or home office, while the kitchen offers ample storage and workspace with direct access to the garden.

Arranged over three floors, the home boasts four well-proportioned bedrooms, including a spacious loft conversion with far-reaching views and useful eaves storage. The stylish family bathroom adds a touch of luxury, featuring a freestanding bath, separate shower and skylight overhead.

Outside, the east-facing rear garden enjoys the morning sun and combines decking with lawn, creating a wonderful space to relax or entertain. At the far end sits a fantastic garden cabin, perfect for remote working, hobbies, a gym, studio or even a garden bar.

Located on Church Street, just a short walk from the town centre and train station, this character-filled family home is offered to the market with the added advantage of no upper chain.
