Description

7 Springfield Terrace is a very pretty, Georgian townhouse, occupying a commanding position with magnificent views over the River Torridge. The property is both versatile and spacious, with high ceilings complemented by period features. The accommodation is arranged over three floors, with a large kitchen/breakfast/dining room, two reception rooms, four double bedrooms and two bath/shower rooms. The house is complemented by a covered seating area at the front and an elevated garden at the back and garage. All seven properties in the terrace have the benefit of a Grade II listing. The property is available immediately, with no onward chain. The house has benefitted from a range of eco-upgrades, making it exceptionally energy efficient for its period, and has permissions for further enhancement. These give 7 Springfield Terrace a rare combination of natural beauty, architectural character, tranquillity and convenience.

Accommodation

Sheltered beneath a pretty and impressive veranda, the front door opens into the ENTRANCE HALL, with space for coats and footwear, and a part-glazed door leading to the HALLWAY, with a period staircase leading up and a large storage cupboard beneath. The DINING ROOM is a versatile reception room, with a tall sash window offering far-reaching views, a fireplace with a wooden surround and mantel, a gas fire, and inset shelving on either side. BEDROOM 2, with a tall sash window, offers versatile accommodation and is currently used as a ground-floor bedroom. The KITCHEN/BREAKFAST ROOM has a tiled floor and is fitted with a range of freestanding and fitted units. Appliances include a twin stainless steel sink with double drainer, a freestanding electric cooker with extractor hood over, and space and plumbing for white goods. The bright and spacious dining area, slightly separated by a sash window and a large flat archway, features a double-height polycarbonate glazed ceiling and currently accommodates a large dining table and tall dresser. A part-glazed door leads out to the passageway and rear garden.

The elegant staircase leads to the split-level FIRST FLOOR. A part-glazed door opens to the FAMILY BATHROOM, fitted with a four-piece white suite comprising a bath, basin, shower and heated towel rail. There is also a separate CLOAKROOM with WC. The spacious LIVING ROOM (17'7 x 13'7), with a large floor-to-ceiling bay window, enjoys magnificent open views across the river. A fireplace with a wood-burning stove set on a slate hearth has a wooden surround and mantel, with fitted book shelving on either side. BEDROOM 3 is a double room with a bay window and fitted shelving.

The staircase continues to the SECOND FLOOR, where an impressive floor-to-ceiling stained-glass window provides natural light to the landing. There are two double bedrooms and a shower room. The large MASTER BEDROOM enjoys twin windows with magnificent views and benefits from a double linerv/airing cupboard. BEDROOM 4 is a small double room with a bay window. The SHOWER ROOM comprises a shower, basin, WC and heated towel rail.

Period features include an original 1850's staircase and wooden sash windows refurbished with "virtually invisible" secondary double glazing and concealed draught proofing. A Woodwarm stove, along with low-energy ventilation systems and wool loft insulation, contribute to the property's impressive energy performance. Preserved consents for wall insulation and conservatory glazing offer an opportunity to enhance this further.

Outside

At the front of the house, a pretty and ornate covered veranda provides space for seating, allowing the wonderful open views to be enjoyed. Beside the house, a pedestrian pathway provides access to the rear of the terrace, where steps lead up to an elevated garden, featuring mature, well-stocked planted borders. The area of garden is officially 'common land' and does not form part of the title, but the property has enjoyed exclusive and uninterrupted use of it for a period of 14 years. Located just above and detached from the house, is a single garage with twin folding wooden doors, with power and light connected. The new owner has first opportunity over an extensive wild garden allotment situated approximately 50 yards from the house along the Tarka Trail cycle path.
