Details

Entrance Hallway
A uPVC door with decorative double-glazed inserts and a matching overlight opens to the entrance hall, which has a ceiling light point, hanging hooks and a radiator. A staircase with feature panelling to both sides rises to the first floor landing, and a timber door leads into the living room.

Living Room
This room has a lovely outlook from the front elevation via a walk-in splayed uPVC double-glazed window. It has coving to the ceiling, two wall light points, a ceiling light point and a radiator. The focal point of the room is a stone hearth, with provision for a log burner. A timber door leads into the kitchen diner.

Kitchen Diner
The kitchen area has a range of modern high gloss wall and base cupboards, drawers, roll-edge worktops with matching upstands and a one-and-a-half bowl stainless steel sink unit. Integrated appliances include an oven, four-ring gas hob, overlying canopy style filter hood and fridge freezer. This room is home to the ideal central heating boiler. It has laminate style flooring running throughout, a radiator, two ceiling light points and a uPVC double-glazed window overlooking the rear garden. The dining area has a continuation of the laminate style flooring and plenty of room for furniture. It has a uPVC double-glazed window and a uPVC door providing access to the rear garden. There is a useful under stairs storage cupboard with space and plumbing for an automatic washing machine, hanging hooks and which houses the fuse box.

First Floor Landing
From the hallway, a staircase rises to the first floor landing, which has a ceiling light point, access to loft space and a continuation of the decorative panelling.
