Thinking of Selling?

If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered by our local offices we can arrange a Market Appraisal through our national network of Hunters estate agents.

Offered to the market with no onward chain, and conveniently positioned in the sought-after Market Town of Wigton, this end-of-terrace bungalow is perfectly suited as a main residence for individuals and couples, including first time buyers, and those looking to downsize, and would equally suit those seeking a lock-up-and leave second home. The property boasts a bright, spacious front aspect living room, providing easy access to the contemporary fitted kitchen, featuring a range of wall, base and drawer units and ample space for all of your appliances, such as oven and fridge freezer. The kitchen has sufficient space to accommodate a dining table, making it a versatile space for a range of buyers. The property benefits from one double bedroom, finished to a modern standard by the current owner, meaning the new owners can move straight in. A three-piece shower room completes this single-storey home, with a stylish part-boarded shower and vanity unit, making it practical for daily use. Externally, the property is equally as impressive, with a generous front grassed lawn, and an additional enclosed rear garden, providing space for both relaxing and entertaining. If you are searching for a property that blends modern living with convenience, Contact Hunters to arrange your private viewing today.
