"The community in Long Ashton is wonderful, particularly on our road. Many of us moved in around the same time, so we've all got to know one another really well. This house will always be incredibly special to us, as it's where we brought our daughter home. Some of my favourite things are the beautiful view from the top bedroom, the morning light that fills the house, and the open-plan downstairs space. We've hosted so many happy parties and Christmases here—including one year when we managed to seat and feed 17 people! Balloon Fiesta weekend is also magical, when you can watch the hot-air balloons drifting across the sky."
