House - Detached

Prepare to be amazed! The attention to detail in this beautiful character chapel is incredible.

Ever thought of living in Lartington? Welcome to "Wesley House". Originally built in 1923 this former chapel has been lovingly remodeled to the charming detached home we see today, located in the picturesque village of Lartington, near Barnard Castle.

Entering through the stunning original chapel doors, you will be wowed by the level of detail and character the current owners have retained or installed, an absolute credit to them. Wesley House boasts three well-proportioned bedrooms, (third bedroom currently set up and used as a work from home office). The layout is thoughtfully designed to ensure privacy and comfort for all family members. Additionally, the property features two modern bathrooms, providing convenience and ease for busy mornings or unwinding after a long day.

Putting the amazing Character in the living room with wood fire aside for a moment, a standout feature of this property is the outdoor space and views as far as the eye can see!! And check out that garden room, it's incredible! With generous parking space to the front and a single garage / workshop all of which adds to the overall appeal of the home, making it perfect for families, the complete package I'd say! Character, comfort, out door space and views, views!

Located in the beautiful serene surroundings of Lartington, this property is not only a wonderful home but also a gateway to the stunning surrounding countryside. With Barnard Castle just a short distance away, you will have access to a range of local amenities, shops, schools and recreational activities.

In summary, Wesley House is a once in a lifetime opportunity to acquire a detached character home that combines spacious living, modern conveniences, and a picturesque location.
