The Property.

A most spacious maisonette situated in a highly convenient, central location. Being arranged over two floors, the light and generously proportioned accommodation is considered to be in excellent order throughout. Highlights include a refitted kitchen/dining room, modern bathroom, gas fired central heating, replacement double glazing and attractive distant views to the rear. Keymer Parade is very conveniently located within a short walk of both the main line station and the town centre. Internal viewing is highly recommended.

The Accommodation.

An external staircase leads to a terrace area with a private front door opening onto the spacious entrance hall. On this floor are the living room and kitchen/dining room both of which are generously proportioned. The kitchen/dining room has been refitted with a comprehensive range of fitted cupboards complemented with worksurfaces and integrated appliances. Also there is space for a dining room table and chairs. The large living room has two windows overlooking the front. On the second floor are three double bedrooms and a modern bathroom fitted with a white suite.

Outside.

There is a terraced area that has the potential to be arranged as a secluded outside area.

The Location.

Keymer Parade is ideally located with Burgess Hill's town centre within a short walk providing shopping facilities at The Martlets, including a Waitrose as well as several long established independent stores, restaurants, bars and pubs. The main line station provides regular commuter services to London (Victoria/London Bridge is 53 mins), Gatwick International Airport (17 mins) and Brighton (15 mins).

For fitness fanatics, the Triangle Leisure Centre has swimming pools, squash courts and a gym with various classes. The town is surrounded by gorgeous villages including Ditchling, Cuckfield and Hurstpierpoint - each with country pubs perfect for a Sunday Roast and historic High Streets for boutique shopping. By car, surrounding areas can be accessed via the A23, which lies under 3 miles west at Hickstead and leads to the M23/M25 motorway network.
