Agent's Note

The solar panels are owned outright by the current owners and will automatically transfer to a new buyer upon completion. There is also air conditioning installed in the living room and both bedrooms which heat, cool and dehumidify. Our sellers advise this is perfect for drying clothes, heating and cooling individual rooms as well as being energy efficient and has saved them money on their gas bill. The air conditioning was installed by JLN plumbing last year and does need yearly

servicing. JLN also done the service in July this year so won't need it until July 2026.

The boiler has been serviced February this year so won't need it until Feb 2026 and was done by Utility Warehouse.

Maintenance Charge

There is a freeholder service charge of £3.42 per month for ground maintenance to platform housing. This gets refunded annually when not used.
