Property Overview

A house we know well, having originally sold it to the current owners and what they have achieved since is simply outstanding. They have lovingly restored and enhanced this beautiful home, bringing back its charm and character while creating a stylish, elegant living space.

Perfectly positioned on St Thomas Road, just a short walk from the town centre and scenic river walks, this charming property is instantly recognisable by its cheerful yellow front door. From the outside it looks quaint and full of character, and inside it delivers even more.

Stepping through the yellow door you are welcomed into a porch, with the original stained glass inner door retained, a lovely nod to the home's heritage. This leads into the beautiful entrance hall, where the chequered tiled floor, winding staircase, and architectural corbels immediately set the tone and showcase the period charm throughout.

The ground floor offers three generous reception rooms, all with high ceilings and styled with care and elegance. The real showstopper, however, is the kitchen/diner to the rear. With a large central island as its focal point, this is a space designed for entertaining. The painted kitchen, rich in colour and character, is flooded with natural light from the windows and French doors opening onto the garden. A utility room and cloakroom complete the downstairs accommodation perfectly.

Upstairs, the split-level staircase leads first to the master bedroom, featuring original floorboards and a fireplace, along with a door to the stunning en-suite bathroom, complete with a freestanding bath

and walk-in double shower, creating a truly boutique hotel feel.

From the second landing, you'll find three further double bedrooms, all continuing the theme of character and elegance, as well as a modern shower room to complete the accommodation.

Outside, a spacious driveway leads to gated fencing separating the parking area from the rear garden. The generous rear garden is a fantastic blank canvas for keen gardeners, featuring a pergola and patio area ideal for entertaining, plus a larger-than-average shed.

In our opinion, this is a must-view home to fully appreciate the time, care and love the owners have poured into restoring this exceptional property.
