Moving through the sitting room, an inner hall leads to the kitchen, positioned at the rear of the property. The kitchen is well equipped with a range of cupboards and generous worktop space, along with integrated appliances. It opens seamlessly into a bright orangery with a striking sky lantern that floods the space with natural light. This versatile area provides an additional place to relax while overlooking the garden and also serves as an excellent dining and entertaining space.

The ground floor also benefits from two double bedrooms. Bedroom one enjoys a pleasant southerly aspect and features its own en-suite shower room. Bedroom four, currently used as a study, overlooks the garden and has double doors opening directly onto the outside space. A cloakroom with a useful utility cupboard, providing plumbing and power for laundry appliances, is located along the hall.

Upstairs, there are two further bedrooms, both offering ample eaves storage and served by the family bathroom. Bedroom two enjoys a southerly aspect and features a balcony.

Outside, a driveway provides off-road parking and leads to a garage, which also benefits from an internal door through to the orangery for added convenience. The rear garden has been thoughtfully landscaped and includes areas of lawn, decked seating areas and a patio, ideal for outdoor dining. A further highlight is the cedar and timber greenhouse at the far end of the garden, perfect for keen gardening enthusiasts.

Central Drive is a private beach estate offering easy access for the residents on to the beach and is located to the east of Middleton-on-Sea village. Middleton offers a number of local facilities and amenities including a post office, a doctor's surgery, a pharmacy, local schools and a sport/social club. A regular bus service links the area to Bognor Regis and Chichester, which both offer a wider range of shops and services.
