

Petesville, 9 Brock Street

Barry, Vale of Glamorgan, CF63 1LB

This is a very charming detached quarry workers' cottage in Cadoxton, Barry, dating back to the mid-19th century and for sale now for the first time since the 1960s and offering tremendous potential. The property is located within the conservation area although itself not designated as a positive building. The accommodation comprises the porch, living room and kitchen on the ground floor along with three bedrooms and the bathroom above. Known as Petesville, the property has off road parking and a garden to the front along with an elevated rear garden with views over the local area. This fascinating property has remnants of the industrial past to discover and viewing is recommended. EPC: TBC.

Outside

Front

The property is approached through original stone pillars to a parking area and front garden. The garden is laid mainly to lawn, with a rockery feature and paved patio, together with planting beds and mature privacy hedging to one side. The front entrance to the property is accessed from this area and there is a gate that provides access to the rear garden.

Rear Garden

A private, raised rear garden enjoying pleasant views across this part of Barry. The garden is divided into a number of different areas, including those laid to artificial grass and a paved patio. Further features include a large timber shed, attractive stone feature wall incorporating a pond, wooden fencing, mature privacy hedging to the boundaries and a water butt.
