Accommodation

Inside

The accommodation is arranged over three floors and retains character features while offering comfortable, practical living.

On the ground floor, there are two reception rooms comprising a welcoming sitting room and a separate dining room. The dining room connects openly through to the kitchen, creating an easy flow for both everyday living and entertaining.

The kitchen is fitted in a stylish contemporary shaker design with wooden work surfaces and tiled flooring. It is bright and functional, with a newly installed built-in dishwasher and a layout that works well alongside the dining space. Off the kitchen is a useful ground floor cloakroom/WC, adding further convenience.

On the first floor are two well-proportioned double bedrooms, including the principal bedroom which benefits from an en-suite shower room. The main bedroom also features bespoke fitted curtains, while custom built plantation shutters have been installed throughout the ground floor, as well as custom built blinds through the first and second floor of the property,

enhancing both privacy and character.

The second floor provides a further double bedroom, along with a study, a family bathroom and useful loft storage, making the home flexible for growing families or those requiring additional workspace.

During the current ownership, thoughtful improvements have been made internally, including the installation of custom built plantation shutters and the addition of the built-in dishwasher

Outside

To the front, the substantial southerly-facing garden is mainly laid to lawn and enjoys exceptional views across the surrounding Blackmore Vale countryside. The garden has been recently enclosed with attractive trellis-designed fencing, with each post set in 4ft concrete and metal supports for decades long durability. A further gate provides access directly into the garden space.

The generous proportions of the garden provide excellent scope for outdoor dining, gardening or simply enjoying the peaceful rural outlook.

There is also a useful outbuilding

incorporating a gardener's WC and a workshop/potting shed, both benefitting from power and lighting, offering practical additional space.
