Staddlestones, 5 Salford Court, Salford, Bristol, BS31 3EB

Staddlestones is an attractive detached house originally built in 1983 in a traditional style to blend with its surrounding with elevations in stone beneath a clay tiled pitched roof and set within a walled plot. It forms part of Salford Court, which is a small enclave of similar properties, a mixture of sympathetically built detached homes and converted buildings set at the rear of Salford House and Tunnel House, two of the villages most notable dwellings, just off High Street in the old village of Salford.

The old village High Street is characterised by picturesque cottages and there are numerous walks immediately available including along the High Street to The Bird pub, the Bristol and Bath railway path and River Avon. Equally the village Hub on the Bath Road with its shops, amenities and excellent transport links to Bristol and Bath is a short walkway.

The house has double glazed mullion windows, Oak internal doors with Suffolk latches, an Aga in the kitchen, Jetmaster fire in the living room, all creating an ambience of character fused with the convenience expected from a modern family home.

On the ground floor, the accommodation is approached through a entrance porch to a central oak floored dining hall which leads to a sitting room at the rear of the house and a good size garden room with three section double glazed bi-fold doors opening onto the rear garden. The kitchen/breakfast room is well proportioned and furnished with an extensive range of units with granite work surfaces and built in appliances. A useful downstairs cloakroom with wc concludes the ground floor accommodation.

On the first floor there are four good size bedrooms, the largest has access to a contemporary decked balcony at the rear of the house with glazed balustrading and the second bedroom has an en suite shower room. The other bedrooms are served by a family bathroom.

On the outside, the property is approached from Salford Court through a five bar gate with driveway parking and a double garage. The plot is walled with level gardens to the front and rear of the house.

Salford is an excellent strategic location between the cities of Bristol and Bath offering a range of village amenities and excellent local schools, both the village primary school and Wellsway at Keynsham. The cities of Bristol and Bath are within easy reach by road and public transport.

In fuller detail the accommodation comprises (all measurements are approximate):
