General information

Newton Upon Rawcliffe is an attractive, quiet village four miles North of the Market town of Pickering. It has a pleasant pub, church, chapel and playing field with hard court. Lying just inside The North York Moors National Park, the village has many pleasant walks, bridleways and spectacular views over Newtondale. There is a good range of shops, schools and services available in Pickering and from here there are excellent road links to the East Coast and The City of York.
