For Sale by Online Auction with a Starting Bid of £115,000. Terms and Conditions Apply. See WebbMove for all the Auction Details.

An excellent opportunity to acquire a substantial 11-bedroom hotel situated on Woodfield Road, literally a short walk from the iconic Blackpool Promenade. Located in one of the town's most popular and well-established tourist areas, this property offers strong potential for investors and hospitality operators alike.

Extending to approximately 2,500 sq ft, the accommodation comprises 11 guest bedrooms, two spacious reception rooms, and a fitted bar area-providing versatile space for guest entertainment and relaxation. The layout lends itself well to continued use as a guest house or boutique hotel, with scope to reconfigure and enhance.

While the property would benefit from modernisation, it presents a fantastic value-add opportunity. The potential installation of en-suite facilities to all bedrooms could significantly increase achievable room rates, improve occupancy levels, and enhance overall guest appeal in this thriving seaside market.

The hotel is ideally positioned within easy reach of Central and Blackpool Town Centre, both of which are benefiting from a significant multi-million-pound regeneration programme that is already well underway. These ongoing improvements continue to strengthen Blackpool's position as one of the UK's most visited coastal destinations.

This is a rare opportunity to acquire a sizeable hospitality property in a prime trading location with considerable scope for growth and capital appreciation.

Early viewing is highly recommended.
