TRUE WORK-LIFE BALANCE

URBAN ROOFTOP TERRACES

Two rooftop terraces wrap around the building, offering scenic suntraps from multiple directions. Based on the 15th floor, sweeping views across the city are provided, with the terraces acting as an urban greenspace for residents to unwind.

PRIVATE DINING ROOMS

Offering an intimate setting for every occasion, the two private dining rooms, bookable for residents, present an elevated dining experience.

FULLY-EQUIPPED GYMNASIUM

The on-site gymnasium combines convenience and wellness, offering residents a superior workout space from the comfort of their own home. Complete with modern equipment and Les Mills classes, residents can effortlessly embrace their fitness routines.

LOUNGE 35

Taking centre stage on the 35th floor is *Lounge 35*, a luxurious Sky Bar with panoramic 300 degree views across the city. In the day, the plush seating and sweeping views offer an ideal hideaway for socialising or home-working. By night, the city lights spark the lounge, as it transforms into the Sky Bar, a buzzing evening hub.

15TH FLOOR RESIDENTS LOUNGE

The vibrant 15th floor lounge acts as a social hub of the residence, with the ample seating and pool tables encouraging a sense of engagement and community.

INCREDIBLE CO-WORKING SPACES

With an abundance of opportunities for young professionals in the city, there was an increased demand for co-working spaces, revealed in our resident survey. As a direct response to feedback, we expanded the co-working spaces, introducing large communal desks and private meeting pods in an amenity re-investment worth £500,000.

HIGHER EDUCATION HUB

MANCHESTER'S MOST CENTRAL BUILD-TO-RENT ADDRESS,
LOCATED AT THE HEART OF THE OXFORD ROAD CORRIDOR.

AN EDUCATION POWERHOUSE

Manchester is a university powerhouse city, home to five top educational institutes including Russell Group University of Manchester.

With one of the largest student populations in Europe, Manchester is a global education hub, boasting a 51% graduate retention rate.

The vast range of blue-chip employers in Manchester has contributed to the city's high graduate retention rate, with the young talent pool opting to stay within the city centre to build their careers.

This has led to a surge in demand from young professionals, with expectations increasing as this large demographic seeks premium accommodation.

CIRCLE SQUARE HOLDS A PROMINENT POSITION IN MANCHESTER'S OXFORD ROAD CORRIDOR, ON THE DOORSTEP OF TOP UNIVERSITIES AND EMPLOYERS.

SISTER

Sister will become a **vibrant new city centre neighbourhood**. Transforming The University of Manchester's former North campus, once home to the historic University of Manchester's Institute of Science and Technology (UMIST).

Steeped in a rich history of science and engineering, the £1.7 billion investment, previously known as ID Manchester, is a joint venture between **The University of Manchester and Bruntwood SciTech**.

This major regeneration scheme is one of several significant regeneration projects taking place across Manchester, the Capital of the North. Development of the Sister site will progress across multiple phases over the next 15-20 years, with an ambition to establish **Manchester as a world leader in technology and innovation**.

- £1.7 billion investment
- £100M new funding just received
- 2 million sq ft of commercial, innovation and retail space
- 10,000 jobs to be created
- 9 acres of public realm
- £1.5 billion predicted GVA contribution per annum
- Innovative research hub with groundbreaking technology
- Joint venture between The University of Manchester and Bruntwood SciTech
- 1,500 new homes

SISTER IS A **JOINT VENTURE BETWEEN THE UNIVERSITY OF MANCHESTER & BRUNTWOOD SCITECH.**

UNLOCKING MANCHESTER'S FUTURE

The first phase of the Sister site is already complete, with the first building, the Renold Building, opening onsite in 2024. Acting as the keystone of Sister, the Renold Building fosters an inclusive, entrepreneurial community with a variety of state-of-the-art spaces including modern co-working areas, private office suites and event areas able to host lectures, conferences and workshops.

A VISION FOR A COMMUNITY

With community at the heart of Sisters' vision, the district is creating more than 10,000 new jobs, 1,500 new homes and nine acres of public realm. Once all phases are complete, Sister will deliver over 2 million sq ft of commercial, innovation and retail space, transforming Manchester, and creating a new neighbourhood for the city's residents to enjoy.

RESIDENT SATISFACTION SURVEY

Through regular Resident Satisfaction Surveys, Vita Living Circle Square listens to the needs of residents and continually evolves the lifestyle offering.

This commitment not only strengthens the resident experience but also drives long-term occupancy, reduces void periods and maximises rental returns.

In response to resident feedback last year, Vita Living Circle Square invested £500,000 in a major refurbishment to enhance its coworking amenity. Residents expressed a demand for more flexible and inspiring workspaces, and Vita Living delivered:

- £500,000 refurbishment
- Extended co-working space
- Private booths for focused work
- Collaborative group meeting areas
