Substantial five bedroom detached family home offering over 2,200 sq ft, set in a quiet cul-de-sac with three reception rooms, conservatory, dining kitchen, private rear garden, large driveway and double garage. No upward chain.

A substantial five bedroom detached family home offered to the market for the first time in 36 years, positioned within a quiet and private cul-de-sac and offering over 2,200 sq ft of gross internal living space. Set on a spacious plot, the property benefits from a large driveway providing ample off-street parking, together with a double garage. Internally, the accommodation is well suited to family living, with three reception rooms, a conservatory and a dining kitchen, alongside a separate utility room and guest cloakroom.

To the first floor, the master bedroom benefits from an ensuite shower room, with four further bedrooms served by the family bathroom. Outside, the property has a private rear garden providing useful space for children, entertaining and general family use. The location is within walking distance of local amenities, parks and schools, while also being conveniently placed for access into Ashbourne and to the A52. Offering generous accommodation, parking and outside space in a private residential setting, 3 Blore Close would make an ideal home for a family looking for a substantial property. The property is also offered for sale with no upward chain.

UPVC doors open into the entrance porch, providing a practical space for coats and shoes, with a wooden door leading through to the reception hallway. Finished with porcelain tiled flooring, the hallway provides access to the sitting room, dining room, dining kitchen, snug and guest cloakroom.

Offering flexible use, the snug could also serve as a playroom or home office, with a square bay window to the front providing good natural light.

Continuing the tiled flooring, the guest cloakroom is fitted with a wash hand basin with chrome mixer tap and storage cupboard beneath, together with a low level WC.

Finished with tiled flooring, the dining kitchen has granite preparation surfaces incorporating a 1½ bowl sink with adjacent drainer and chrome mixer tap, complemented by tiled splashbacks. A range of cupboards and drawers beneath provides useful kitchen storage.

Adjoining the kitchen, the utility room features tiled flooring and granite preparation surfaces with an inset sink, adjacent drainer and chrome mixer tap, together with tiled splashbacks. There is appliance space and plumbing for a washing machine and separate tumble dryer, complemented by wall mounted cupboards and space for an American-style fridge freezer.

Generously proportioned and dual aspect, the living room has windows to the side and a square bay window to the front. A gas fire with stone fireplace and hearth forms the focal point of the room, while a door provides access into the conservatory. Positioned to the rear, the conservatory has porcelain tiled flooring, UPVC windows and a door opening directly onto the rear garden. Providing another versatile reception space, the dining room benefits from a UPVC door giving direct access to the rear garden.

From the first floor landing, doors lead to all bedrooms and the family bathroom, together with an airing cupboard housing the water tank. A loft hatch provides access to a partially boarded loft.

Generous in size, the principal bedroom is a spacious double with fitted wardrobes, drawers and a dressing table, together with a door leading into the ensuite shower room. Fitted with tiled flooring, the ensuite comprises a white suite with wall hung wash hand basin and chrome mixer tap, low level WC and shower enclosure with chrome mains shower.

Bedroom two is another spacious double room, fitted with wardrobes, drawers and a dressing table. Also offering good proportions, bedroom three is a spacious double room with fitted wardrobes and drawers. Bedroom four provides further double accommodation and includes fitted wardrobes and drawers. Completing the bedroom accommodation, bedroom five is a smaller double room and could also be used as a home office or additional family space if required.

Serving the remaining bedrooms, the family bathroom has tiled flooring and a white suite comprising a wash hand basin with vanity cupboards beneath, low level WC, bath with chrome mixer tap and separate shower enclosure with chrome mains rainfall shower. A chrome ladder-style heated towel rail completes the room.

To the front, a large block paved driveway provides ample off-street parking for multiple vehicles and leads to the detached double garage, which has an electric up-and-over door, power and lighting. An adjacent lawned area provides additional frontage to the property. To the rear is a private garden with a raised patio seating area, providing a practical space for outdoor dining and entertaining. Beyond this is a gravelled area and lawn, with mature hedge borders providing a good degree of privacy.
