STEP INSIDE:

As you step inside, you are welcomed into a bright and inviting entrance hall, setting the tone for the generous accommodation that lies beyond. The hall provides access to the principal living spaces, with a useful downstairs cloakroom to the left, complete with WC and wash basin, alongside a handy storage cupboard – ideal for keeping coats and shoes neatly tucked away.

To the right is the spacious lounge, a wonderfully light and comfortable room with natural light flooding in from both the front and rear of the property. There is plenty of space for a range of furniture, with a gas fire creating a lovely focal point and a generous bay window overlooking the front garden.

An archway leads naturally through to the dining area, creating a wonderful connection between the two spaces. There is ample room for a family-sized dining table, with plenty of natural light making this an inviting space for both everyday meals and entertaining. From here, the accommodation continues into the conservatory/family room, providing an additional place to sit and unwind while enjoying views across the garden. Patio doors open directly outside, making this a particularly useful space during the warmer months.

The kitchen can be accessed from both the dining area and entrance hall and has been thoughtfully updated, offering a good range of storage and worktop space. There is an oven and gas hob, a sink positioned to overlook the garden and space for both a dishwasher and fridge freezer. A separate utility room provides further practical space, with room for a washing machine, tumble dryer and an additional fridge/freezer, alongside useful cupboards and worktop space.

Upstairs, the sense of space continues. The landing benefits from a useful airing cupboard, perfect for storing linens and household essentials. The first of the bedrooms is a well-proportioned double, enjoying a pleasant outlook over the rear garden and beyond towards the surrounding fields. The recently modernised family bathroom is next, offering a bath alongside a separate shower cubicle, WC and wash basin.

A further bedroom overlooks the fields and is currently arranged as a good-sized single with built-in wardrobes, while another single bedroom overlooks the front and is currently utilised as a built-in home office. Completing the accommodation is the generous master bedroom, a comfortable double overlooking the front of the property. Two built-in wardrobes provide excellent storage, while the recently modernised En-suite shower room features a WC, wash basin and walk-in shower.
