DESCRIPTION

Longsides Road contains a variety of detached bungalows standing within mature grounds all of which combines to create an attractive setting. Well placed for access to the surrounding network of motorways and Manchester International Airport and with local shops available within the revitalised village centre including Asda supermarket and Costa Coffee. The property also lies within the catchment area of highly regarded primary and secondary schools.

Set well back beyond the tree lined carriageway this double fronted detached bungalow benefits from an excellent loft conversion and replanned ground floor with superb primary bedroom suite. The interior is generously proportioned and well presented throughout with the benefit of gas fired central heating and PVCu double glazing.

The accommodation is approached beyond an enclosed porch and entrance hall with turned spindle balustrade staircase to the first floor. Positioned toward the front is an elegant sitting room with the focal point of a stone fireplace surround and a wide archway opens onto the dining room with sliding windows providing access to the grounds. The separate living room has ample space for a study area and the naturally light conservatory enjoys delightful views over the rear gardens. The kitchen is fitted with contemporary high gloss white units complemented by marble effect work-surfaces and integrated appliances and there is also a useful utility room/WC.

Completing the ground floor is the aforementioned primary suite which comprises spacious double bedroom with built-in wardrobes, modern bathroom/WC and separate dressing room fitted with a comprehensive range of furniture.

At first floor level there is a double bedroom with fitted wardrobes and generous single bedroom which is currently used as a home office and may prove invaluable for those who choose to work from home. Both are served by a bathroom/WC with white suite and chrome fittings.

The landscaped rear gardens are laid mainly to lawn with a full width paved terrace which is ideal for entertaining during the summer months. In addition, there is a timber framed summer house with artificial grass veranda and supplementary garden store.

Furthermore, ample off road parking is provided within the wide block paved driveway.
