CHARACTER FEATURES

This charming semi-detached cottage offers rural living with a green open outlook, gated driveway parking and plenty of character features throughout.

A small entrance lobby greets you from the front door giving access to the staircase to first floor and door through to the lounge.

The lounge is a spacious room with large storage cupboard beneath the stairs and beautiful stone feature inglenook fireplace. This is a south facing room with wonderful views to the fells and beyond. There is plenty of space for lounging and dining furniture.

To the side of the lounge, is the ground floor bedroom with south facing window and space for full bedroom furniture set. This room would make an ideal dining room or studio.

The kitchen is off the lounge to the rear, generous in size with a window out to the courtyard.

Off the kitchen are two doors, one to the rear porch/utility which currently houses the central heating boiler and a second through to the bathroom at the very rear of the property offering a separate contained WC with heated linen cupboard.

Following the stairs up from the entrance lobby, brings you to the first of the upstairs bedrooms. A very spacious room with generous alcove and storage cupboard. South facing views are enjoyed from here.

A door from this room leads through to the second bedroom, again offering lots of space and an east facing window looking over the adjoining farmland.

Externally this cottage offers its own attached stone outhouse storage space for garden equipment and log store. The gardens are walled and private running down to the burn.

This cottage is a real gem offering peaceful rural life with green views, plus a small paddock which takes you down through woodland to the banks of the Smales burn.

No 2 Smalesmouth Cottage is located in an area that contains some of the darkest skies in Europe. Step out and walk up the fell for 800 metres to the edge of the giant Kielder forest, which actually began its life here with initial planting in 1926. Only a mile or so away is the spectacular Kielder water, with its terrific views, along with walking and cycling tracks. Plus, shops and a restaurant.

The Dark Sky Observatory nestling in the vast swathes of the unique and magnificent countryside of the north Tyne valley can transport you to the stars! A short walk from the cottage takes you to the banks of the North Tyne River. Nearby the village of Falstone has a pub and a tearoom, and there is also a pub and restaurant with accommodation in Stannersburn, very close to the cottage.

A 15 minute drive takes you to Bellingham where there is an array of amenities including petrol station, shops, pharmacy, doctors surgery as well as both primary and middle Schools. There is a further primary school at Greenhaugh.

Viewings are strongly recommended to appreciate the location, space and lifestyle on offer. Worth noting, the other half of this semi-detached cottage is also available for sale.
