Property Description

DESCRIPTION This beautifully presented three-storey townhouse offers generous and flexible accommodation across four bedrooms and three bathrooms. Thoughtfully designed for modern living, the property features a spacious kitchen/dining room, a first-floor lounge, and the benefit of a private garden and two secure allocated parking spaces – a rare advantage in this highly convenient Jewellery Quarter location. The internal accommodation comprises a welcoming entrance hallway with a WC / Guest cloakroom off. Continuing through the property the expansive open-plan living space is to the rear, and is the heart of the home, designed in a sleek, contemporary style with a kitchen suite featuring high gloss cabinetry, with ample storage space and a generous work surface, integrated appliances including oven, hob, fridge/freezer. A central island / breakfast bar provides casual dining options, while there is plenty of room for a family-sized dining table. Double patio doors provide a wealth of natural light and open directly onto the garden, making it an ideal setting for entertaining. From the entrance hallway and up the stairs, the first floor features a spacious double bedroom, currently dressed as a home office / lounge, which stretches across the full width of the rear of the property with dual windows overlooking the garden. Finished with neutral décor and thick carpet, and a fitted wardrobe. The second bedroom occupies the front aspect of the house featuring a full length window and enough space to comfortably fit a double bed and bedroom storage furniture. The family bathroom serving the level is fitted with a modern white bathroom suite including bath with overhead shower, floating vanity unit with storage and a wall hung WC and striking textured tiling. The second floor is similar in layout to the first, and features the principle bedroom suite which is a bright and spacious bedroom with dual windows, fitted carpets and plenty of space, with a luxurious ensuite shower room with large walk-in shower, floating vanity unit and WC. The bedroom to the front aspect is well proportioned and features neutral tones. A further bathroom is styled in keeping with the other suites with a bath and shower above, contemporary tiling and modern vanity storage. To the outside of the property, the rear garden is designed for low maintenance with artificial lawn and patio seating area, perfect for outdoor dining or children's play. The property also benefits from two allocated parking spaces within the Kettleworks' secure car park, which is very hard to find for a city centre property.
