Property Description

Reid & Roberts Estate and Letting Agents are delighted to present this well-presented three-bedroom link-detached family home, pleasantly positioned on a corner plot within a popular residential area of Buckley. Although classified as link-detached, the main house itself stands fully detached, with no neighbouring property or garage adjoining it, offering a greater sense of privacy and separation. Internally, the property offers spacious, well-planned accommodation with an excellent flow throughout. A welcoming entrance hallway provides access to the spacious lounge, modern fitted kitchen, downstairs WC and generous dining room. French doors from the dining room lead into the bright conservatory, with further French doors opening directly onto the rear garden. To the first floor are three well-proportioned bedrooms, including an impressively spacious principal bedroom, together with a good-sized family bathroom. Externally, the property benefits from off-road parking and an enclosed private rear garden, thoughtfully arranged with a paved seating area, decorative slate, planted borders and lawn. A particularly useful feature is the garage, which has been cleverly adapted whilst retaining practical storage. The front section remains a traditional full-width garage extending approximately three metres in length, while the rear section has been converted into a versatile room, currently used as a home office and complete with a shower, WC and wash hand basin. This could equally suit a gym, hobby or recreational space, subject to any necessary consents. Buckley offers a range of shops, schools and everyday amenities, with convenient links to Mold, Chester, Wrexham and surrounding areas. Early viewing is highly recommended.
