OVERVIEW

GUIDE PRICE £400,000 TO £435,000

A spacious four-bedroom semi-detached home in sought-after Prettygate, featuring three bright reception rooms, a well-equipped kitchen with utility, and versatile bedrooms with ample storage. The secluded south-west facing garden, long driveway, and powered detached garage add excellent practicality, alongside strong security features throughout.

STEP INSIDE

A bright entrance hallway with Karndean flooring and useful storage leads into the spacious lounge (5.36m x 3.15m), centred around a charming coal effect gas fire, and through to the dining room (3.67m x 2.30m) with direct access to the garden.

The well-equipped kitchen (3.58m x 3.07m) provides plentiful storage along with a built in fridge/freezer, electric hob, double oven, microwave, and under cabinet TV, complemented by a separate utility room with further storage and washing machine plumbing. A sunny snug/summer room (3.64m x 3.05m) opens onto the garden via patio doors, while a convenient downstairs bathroom includes both bath and shower.

Upstairs, the landing offers cupboard space and room for a tumble dryer, with access to a boarded loft with ladder, water tank, and alarm. The master bedroom (4.56m x 3.07m) includes an en suite shower, fitted wardrobes, ceiling fan, and a walk in airing cupboard housing the new 2026 combi boiler.

Bedroom two (3.66m x 3.09m) is a generous double with fitted wardrobes and dressing area, while bedroom three (2.18m x 2.98m) provides a single

room with built in storage, and bedroom four (2.27m x 2.17m) serves perfectly as a single or office, complete with phone line, and modem connections. A separate WC with basin and storage completes the first floor, making this a thoughtfully designed and exceptionally practical family home.

STEP OUTSIDE

The completely secluded, low maintenance south west facing rear garden offers a peaceful retreat with a lower patio, neat lawn, raised planted borders with garden lighting, water butts, and a powered 8' x 6' shed, while the front garden is well kept with established shrubs, complemented by a long block paved driveway for two cars, a frost free outside tap with hose, and a locked side gate leading to the detached garage. The garage itself is a versatile, well maintained pebble dash prefab structure featuring four windows for natural light, a recently renewed roof with a five year guarantee (two years remaining), internal lighting, power sockets, storage cupboards, a sturdy workbench ideal for DIY or storage, and practical double wooden barn doors.
